

Luísa Salvador (Lisbon, 1988) is a visual artist and researcher.

She holds a Sculpture BFA from Universidade de Lisboa (2009) and a MA in Contemporary Art History from Faculdade de Ciências Sociais e Humanas – Universidade Nova de Lisboa (2012). Currently she is a PhD candidate in Contemporary Art History at FCSH-UNL and a researcher at Instituto de História da Arte.

Luísa also develops her artistic practice through drawing, sculpture, installation and spatial devices, along with theoretical writings and art reviews. She has participated in several group exhibitions and has developed projects in collaboration with other artists and architects, both in specific projects and commissions, as well as art collectives.
